<b>Price Schedule/Bill of Quantities (BOQ)</b>				
1.	Item No. 1 of BOQ	Construction of water body in Arun Sadan of SAPDC at Tumlingtar of outer diameter 5.50 mtr (18ft.) as per sketch with 25cm. thick brick masonry wall i/c ceramic tiles of good quality on bottom and circular wall inside and outside with 16mm thick granite stone on top circular portion (size and colour of tiles as per directions of E.I.C). Water body shall be provided with 1.20mtr. high sculpture of Lord Buddha in the center, four nos. of dolphins on circular top, four nos. sculptures of lion and four nos. brackets on outer circular wall as shown in the sketch. Water body will have four nos. geyser fountain nozzles, 2.0 to 3.0 HP submersible pump, CPVC pipefittings, electrical panel board with complete electrical fittings, four nos. focus light, four nos. multi colour lights complete in all respect.	Since your BOQ (Sr. No. 1) states 1.20 meter high sculpture of Lord Buddha, 4 nos. of sculpture of lions and dolphins each as well as 4 nos. of brackets. But the materials for these sculptures are not mentioned. We heartily request you to provide us the materials (ceramics or metallics) for the construction of these sculptures.	All the sculptures i.e Budha and dolphin etc. shall be made of cement concrete with steel reinforcement inside.
2.	Item No. 1 of BOQ	Construction of water body in Arun Sadan of SAPDC at Tumlingtar.....	Please guide us the location of Dolphins in your water body, since it is not shown in the drawing.	The location of dolphins etc. are already indicated in the Tender Drawings attached in the Tender Document However, the final location shall be finalised by the EIC on the site.
