### Clarifications to the Bidders' Queries

Sr. No	Clause No.	Provision in Bid Documents	Summary of Bidders' Query / Modification requested	SAPDC Response/ Comments
<b>Section-I: Notice Inviting Tenders (NIT) and Section-II: Instructions to Bidders (ITB)</b>				
1.	Clause 3 (b) (i) of Section-I and Clause 3.2 (b) (i) of Section-II	Similar Work means <b>“Supply, Installations, Monitoring and Data Analysis of Geotechnical Instruments like Plumb Line, Uplift Pressure Meter, Piezometer, Joint Meter, Pore Pressure Cell, Stress/Strain Meter, Thermometer in any single project”</b> . The above instruments must have worked successfully for one year.	As per Similar Work Means of Eligibility Criteria will a company qualify if they have executed work for Supply, Installation and Monitoring only because as per tender document it has been mentioned Supply, Installation, Monitoring and Data Analysis. Kindly clarify.	As per the definition of Similar Work in bid documents, the Supply, Installations, Monitoring and Data Analysis of Geotechnical Instruments shall be <b>carried out in any single project</b> .
2.	Clause 3 (b) (i) of Section-I and Clause 3.2 (b) (i) of Section-II	Similar Work means <b>“Supply, Installations, Monitoring and Data Analysis of Geotechnical Instruments like Plumb Line, Uplift Pressure Meter, Piezometer, Joint Meter, Pore Pressure Cell, Stress/Strain Meter, Thermometer in any single project”</b> . The above instruments must have worked successfully for one year.	As per Similar Work Means of Eligibility Criteria “The instruments must have worked successfully for one year””. Does this mean that the instruments must have worked successfully after installation of all the instruments of the project/contract. Please clarify.	As per the definition of Similar Work in bid documents, the Geotechnical instruments must have individually worked successfully for one year.
3.	Clause 9 of Section-I	Bidder shall register his firm in Nepal, in case work is awarded to an Indian Bidder.	Kindly inform about the process of getting the company registered in Nepal and charges associated. Due to COVID Pandemic we are not able to visit Nepal for getting the information.	The bidder is requested to ascertain the same from concerned authorities of Nepal.

4.	Clause 6.2 of Section-II	The bidder is expected to examine carefully all instructions, Forms, Bill of Quantities, qualification information and other schedules, General and Special conditions of contract, specifications, and drawings in the Bid Document.....	Kindly provide the location of holes to be drilled as these factors will have impact on our quote.	The bidder is requested to refer the drawings enclosed under Section-VII 'Tender Drawings' of the tender document.
5.	Clause 1.7 & 1.8 of Section-I	Last date & time for submission of Bid(s): 27.06.2021 upto 1500 Hours.	We sincerely request your goodself to kindly extend the due date of Bid Submission by atleast one month, thereby enabling us to submit a duly evaluated Proposal.	Refer <b>Amendment-I</b>
6.	Clause 1.7 & 1.8 of Section-I	Last date & time for submission of Bid(s): 27.06.2021 upto 1500 Hours.	We would appreciate if the due date of submission of bids for this tender is extended suitably till July 15th, 2021 and date of opening of techno-commercial bids till July 20th, 2021.	Refer <b>Amendment-I</b>
7.	Clause 1.7 & 1.8 of Section-I	Last date & time for submission of Bid(s): 27.06.2021 upto 1500 Hours.	It is requested that the process of tendering be postponed to an acceptable date at least three (03) weeks from now.	Refer <b>Amendment-I</b>
<b>Section-III: Tender form, Forms of Declaration and Undertaking, Qualification Information Forms and Schedules</b>				
<b>SCHEDULE -A: Bill of Quantities (BOQ)</b>				
8.	Item no. 3 of Bill of Quantity (Schedule-A)	Uplift Pressure meter: Vibrating wire type/ Potentiometric	Regarding item No. 03 of BOQ (Schedule A), we understand that the specification mentioned for Uplift Measuring Device is Mechanical Type but you have mentioned it as Vibrating Wire / Potentiometric type.	Uplift measurement device is vibrating wire/mechanical only.
9.	Item no. 9 of Schedule-A Bill of Quantity	Stress meter (Vibrating wire type)	Regarding item No. 09 of BOQ (Schedule A), the dimension of the Stress Meter has not been provided. Kindly provide the dimension of the same.	Size of Stress meter is 200 mm $\Phi$ x 7 mm thick (approx.)
<b>Section-IV: GENERAL CONDITIONS OF CONTRACT (GCC)</b>				
10.	Clause 34 of Section-IV (GCC)	-	Kindly inform about the Insurance charges applicable on Supply and Service part of the contract amount.	The bidder is requested to ascertain the same from relevant authorities of Nepal.

**Section-VI: SPECIAL CONDITIONS OF CONTRACT (SCC)**

11.	Sr. No. 7 of Section-VI	All the civil works, safety of installed instruments and approach required for installation and monitoring shall be in scope of SAPDC.	Please inform about the safety and warranty of the instruments which get damaged due to civil construction works.	Safety and Warrantee of instruments will be responsibility of bidder except vandalism and theft.
