MESSAGE OF CHAIRMAN & MANAGING DIRECTOR ON THE OCCASION OF 37TH RAISING DAY

Dear SJVNites,

Today marks a significant milestone in our journey together. As we complete 36 years of growth, innovation, and success, I wanted to take a moment to reflect on our incredible achievements and express my gratitude to each and every one of you.

From humble beginnings to where we stand today, our journey has been nothing short of extraordinary. It's been a journey fuelled by passion, dedication, and a relentless pursuit of excellence. Together, we've overcome challenges, embraced change, and forged ahead with resilience and determination.

It is a matter of pride for all of us that we have recently commissioned 60 MW Naitwar Mori Hydro Power Station, 75 MW Gurhah, 50 MW Gujrai and 100 MW Raghnesda Solar Power Stations. We have added projects of 9383 MW to our kitty since last year and now our portfolio stands at 56662.4 MW. This strategic approach has strengthened our position in Power Sector and opened up new avenues for future growth. Our share price has witnessed tremendous growth of 300 % since May 2023.

As we celebrate this special day, let's not only look back on our accomplishments but also look forward to the exciting opportunities that lie ahead. With your talent, creativity, and commitment, I am confident that we will continue to push boundaries, exceed expectations, and achieve even greater heights during this coming year.

As we look ahead, I urge each one of you to stay focused and motivated. The journey ahead may have challenges but our collective efforts and commitment will propel us toward achieving our shared vision of **25,000 MW by 2030 and an impressive 50,000 MW by 2040**.

On behalf of the entire leadership team, I want to express my deepest appreciation to each and every one of you and your family for hard work and unwavering support. I am honoured to lead such an exceptional team.

Happy raising day, SJVN! Here's to many more years of success, growth, and prosperity.
